

THE MIKKELSON FOUNDATION

2023 SCHOLARSHIP FUND

The Mikkelson Foundation Scholarship will be awarded to an outstanding 2023 graduate of a Colorado high school who has been accepted to pursue a course of study or instruction at an accredited four year college or university granting undergraduate and/or graduate degrees. The recipient will be a student who has demonstrated an ability to excel in the academic disciplines of mathematics or science, who will major in engineering, the natural sciences, or mathematics, and who has the potential for substantial additional achievement in the years ahead.

In 2023, The Mikkelson Foundation will provide three scholarships of \$5000.00. The recipients will be eligible to receive a like sum each year (up to a maximum of four years) that they remain a student in good standing at their college or university.

To be eligible for The Mikkelson Foundation Scholarship:

- The applicant must be graduating from a Colorado high school in 2023.
- The applicant will be studying engineering, mathematics, or the natural sciences at an accredited four year college or university.
- The applicant will be beginning his/her studies in the fall of 2023.
- The applicant must have an unweighted GPA of at least 3.7.
- The applicant must have a cumulative SAT score of at least 1200 or a composite ACT score of at least 28.

Applications must be received by the Foundation on or before April 14, 2023. A complete application consists of the following:

1. A complete official transcript of the student's academic record in high school, including national standardized test scores.
2. Three references from high school teachers, counselors, or employers. Be sure to tell your referents that these must be received by April 14.
3. Application form completed by student
4. An original personal essay.

Incomplete applications or applications received after the due date will not be considered.

Applications are available at:
